# CLASS DESCRIPTIONS

## ● **BodyAttack**

BodyAttack™ is a high-energy fitness class with moves that cater for total beginners to total addicts. We combine athletic movements like running, lunging and jumping with strength exercises such as push-ups and squats.

## ● **Les Mills Body Combat**

Moves and stances from self defence disciplines like karate, boxing and taekwondo, this workout will raise fitness levels throughout the whole body.

## ● **Indoor Cycling**

A highly effective, motivating, cardiovascular workout performed on the industry's highest spec indoor cycles. No co-ordination needed, but don't forget your sweat towel.

## ● **Aquacise**

Low impact all over body toning exercises performed against the resistance of the water, a safe and fun workout in the pool.

## ● **Aqua Zumba**

A perfect, low impact blend of two favourites. Zumba; the Latin Dance Sensation, and Aquacise; the resistance of water-based training exercises. Time to get in the pool and party!

## ● **Flex and Strength Yoga**

Combining both power yoga and hatha yoga. Through quick paced flowing rhythm whilst linking breath to movement, this style strengthens the body and increases muscle tone. The hatha style completes it through increasing flexibility, posture and balance whilst also achieving a relaxed mental state.

## ● **Kids Activity Club**

Fitness class for children age 9-15. Junior members can spend an hour working out with our fully qualified, CRB checked junior instructor. Includes aerobic, cardio, flexibility, balancing skills and team orientated activities.

## ● **Nia Dance**

A dynamic blend of dance, martial and healing arts, balancing technical precision with free-form expression. Nia brings the body, mind, emotions and spirit to optimum health through music and movement, delivering cardiovascular, whole-body conditioning. Most of all, Nia is exhilarating and fun!

## ● **Tai Chi**

Tai chi, also called tai chi chuan, combines deep breathing and relaxation with flowing movements. Originally developed as a martial art in 13<sup>th</sup>-century China, tai chi is today practised around the world as a health-promoting exercise.

## ● **Yogalates**

Yogalates is a comprehensive exercise system which successfully fuses the practices of Yoga and Pilates. Yogalates sessions will include exercises and poses (asana) to cultivate strength, stamina, stability and flexibility with particular attention paid to building tone in the deeper postural "core" muscles. While also encouraging a connection with self to soothe the nervous system, release stress, aid relaxation and instil inner calm and overall wellbeing.

## ● **Yoga & Relaxation**

A smoother, more gentle approach but still with a mental and physical demand on the body. This is for those that really want to find inner calm, and to develop more suppleness and mobility. Stretch, flex and relax.

## ● **Zumba**

With pulsating Latin rhythms and red-hot international dance steps, it's the best way to party your way into shape.

## ● **Zumba Gold**

A milder, lower impact version of Zumba for all fitness levels.

## ● **Les Mills BodyPump**

The fastest way to shape up and lose body fat! A toning and conditioning class with weights set to music, guaranteed to keep you moving and motivated through the whole class!

## ● **Piloxing**

Piloxing Knockout is a 45-minute workout influenced by plyometrics, sports conditioning drills and functional training. Increase your fitness level, boost your confidence and strength, break boundaries and gain results. Knockout is a program that suits and challenges individuals of all fitness levels.

## ● **Sculpt & Tone**

Not your usual Legs, Bums and Turns class, this one incorporates more of your muscles for a total body tone-up.

## ● **Legs, Bums and Tums**

The perfect class for those all too troublesome areas, one of the original classes to help tone and shape your lower body. One of our favorites!

## ● **Olit**

A holistic activity to promote improved posture. It uses various techniques derived from Tai Chi, Yoga and Pilates. The movements are performed to music.

## ● **Pilates**

A series of mental and physical exercises focusing on core stability, strength, flexibility and posture.

## ● **Yoga & Conditioning**

A series of mental and physical exercises focusing on control of breathing, improving your flexibility, posture and core strength.

## ● **Abs Blast**

A short bout of intense abdominal and core-based work. Just 20 minutes spent on that key area for everyone. Join us in the Studio for your weekend warm-up.

## ● **Les Mills Grit Series / HIIT**

Designed to burn fat and rapidly improve athletic capacity, this explosive 30-minute High Intensity Interval Training provides the challenge and intensity you need to take your training to the next level!

## ● **STRONG by Zumba**

STRONG by Zumba is not a dance class. It's high intensity tempo training, a full body workout driven by music which is perfectly synced to the moves.

## ● **XBA (Xtreme Body Assault)**

Fire up your metabolism and get fit for life! This exciting class incorporates everyday movements with the latest fitness equipment to deliver lean, toned muscles which is proven to improve weight loss, core strength, balance and joint mobility for day-to-day tasks.

## ● **XBA 2.0**

Xtreme Body Assault, taken to another level. Harder, better, faster, stronger!
